

CALL FOR PAPERS

New Economic Talent 2019

Think. Dare. Share.

The **Center for Economic Research and Graduate Education – Economics Institute** (CERGE-EI) invites university students and recent graduates to submit papers to the **New Economic Talent competition**.

The competition is open to Bachelor's and Master's students (full-time or part-time) in any field and recent graduates (up to one year after graduation), who are interested in contemporary economic issues and wish to understand better the forces and processes that 'shape the world'.

The competition is international, has two rounds, and its working language is English. Applicants submit a complete paper (up to 50 pages) and an abstract (1 page) to the first round.

Selected finalists **present their papers at CERGE-EI, Prague**, in the second round. The topic of the paper can be in macroeconomics, microeconomics, applied economics, or finance. Papers will be judged based on originality, substance, analytical nature, and clarity of writing.

Prize for the winner consists of 1,000 USD and access to an international network of top economists (through attendance at events such as the Distinguished Speaker Series).

Deadline for submissions is 31 March, 2019.

Papers and abstracts should be sent to talent@cerge-ei.cz
